Dear Beverlywood West Homeowner Association Member:

**Re: Revised Notice Regarding Rule Change on
Pool Hours, Effective July 18, 2006**

On April 24, 2006, the Board of Directors of the Beverlywood West Homeowners Association (the Board) initiated a rule change regarding pool hours by sending a proposal for a rule change to the membership. Subsequent letters were sent, within two weeks of the first letter, correcting typographical errors in the initial letter. A letter accompanying the proposal, in compliance with the Davis-Stirling Act, had an explanation of why the Board proposed the change.

The Board received no objections or comments to its proposal. As a result, on July 18, 2006, the Board adopted, without modification, the proposal regarding new pool hours.

A copy of the rule change, which is effective July 18, 2006, is attached. This letter replaces the notice dated July 19, 2006 which erroneously states that the rule change was effective August 20, 2006.

This rule change may be challenged in accordance with Civil Code Section 1357.140, essentially allowing 5% of the membership to petition the Board to challenge the rule change regarding the pool hours.

Very truly yours,

**Beverlywood West
Board of Directors**
