RECREATION BOARD FEEDBACK

The volleyball court has been resurfaced and a new net has been ordered. The equipment in the gym would be repaired if the cost is within the confines of our budget.

New tables and chairs have been ordered for the party room. We have been promised delivery in the next three weeks. Those of you who have reserved December for your parties, enjoy, enjoy, enjoy!

The lock in the ping pong door has been changed so that your key should fit. Hopefully this will eliminate the necessity of using your feet to get inside.
